*Kent State University*  
Department of Anthropology  

**Faculty**  
Richard Feinberg (PhD U Chicago 1974; Prof); Symbolic anthropology, kinship, political development, indigenous seafaring techniques; Oceania, North America; rfteinber@kent.edu  
Evgenia Fotiou (PhD U Wisconsin 2010; Asst Prof); Religion, shamanism, medical anthropology; gender; Lowland South America, Greece; efotiou@kent.edu  
C Owen Lovejoy (PhD U Massachusetts 1970; University Prof); Skeletal biology, genetics of development, human evolution; Ethiopia; ollovejoy@aol.com  
Thomas Kam Manahan (PhD Vanderbilt U 2003; Assoc Prof); Ancient Mesoamerica, social organization, settlement abandonment; Mesoamerica, Yucatan; tmanahan@kent.edu  
Richard S Meindl (PhD U Massachusetts 1979; Prof & Chair); Demography, skeletal biology, quantitative methods; Eastern Woodlands North America, Mexico; meindl@kent.edu  
Marilyn A Norconk (PhD U California-Los Angeles 1986; Prof); Primate ecology, behavior, nutrition; Neotropics; mnorconk@kent.edu  
David J Perusek (PhD Michigan State U 2000; Assoc Prof, Ashbybula Campus); Cultural anthropology, political and economic anthropology; dperusek@kent.edu  
Mary Ann Raghanti (PhD Kent State U 2007; Asst Prof); Human and nonhuman primate brain evolution, neuroanatomical bases of cognition, hormones and behavior; mraghanti@kent.edu  
Linda B Spurlock (PhD Kent State U 2001; Asst Prof); Primates, reproductive endocrinology, anatomy, archaeology, forensics; Eastern North America  
Anthony J Tosi (PhD Columbia U 2000; Asst Prof); Genetics, forensic anthropology, population structure and evolution, Old World monkeys; Asia, Africa; atosi@kent.edu  

**Faculty: Part-Time**  
Richard C Smith (PhD U Minnesota 2005; Instructor); Cultural anthropology, semiotics, sustainability; rsmith120@kent.edu  
Joy St. James (MA/MS Kent State U 2006; Instructor); Cultural anthropology, migration; joy-justin@sbcglobal.net  

**Adjunct/Affiliated Faculty**  
Kristen E Lukas (PhD Georgia Inst Tech 1999; Curator, Conservation, Cleveland Metroparks Zoo); Animal behavior, primate conservation; kel@clevelandmetroparks.com  

**Emeriti Faculty**  
Mark F Seeman (PhD Indiana U 1977; Prof); New world prehistory, typology, culture change; North America; mseeman@kent.edu  

**Staff**  
Caroline Tannert (Administrative Secretary); ctannert@kent.edu  

**Institution Type:** Public  

**Academic Year System:** Semester  

**Highest Degree Offered:** PhD  

**Administrative Contact:** Caroline Tannert, Administrative Secretary  

**Degrees Offered:** Anthropology PhD (biol anth), MA, BA major/BS major  

**Anthropology Club:** Yes  

**Anthropology Club Information:** Anthropology Club President: TBA  

**Anthropology Club Advisor:** Dr. Mary Ann Raghanti  

**Online Courses Offered:** Yes  

**Online Courses:** ANTH 18630 "Human Evolution" 3 hrs, ANTH 18631 "Human Evolution Lab" 1 hr.  

**Research Facilities/Resources:** Kent Campus: Biological anthropology and archaeology laboratories, computer facilities, primate anatomy laboratories. Cleveland Museum of Natural History Campus: Hamann-Todd human and primate skeletal collections. Kent State University College of Podiatric Medicine Campus: Human gross anatomy laboratories.  

**Library(s):** Kent St U Campus Library  

**Other Support Opportunities:** 5 MA assistantships, $8500 plus tuition waiver. Doctoral assistantships: 1 biol sci and 2 biomed sci, $20,500 plus tuition  

**Field Schools Offered:** Yes  

**Field Schools Information:** Occasional summer field schools in archaeology and primate ecology.  

**BA/BS Field Areas:** Anthropology, Archaeology, Biological Anthropology, Cultural Anthropology  

**MA/MS Field Areas:** Anthropology, Archaeology, Biological Anthropology, Cultural Anthropology  

**PhD Field Areas:** Biological Anthropology  

**Requirements for BA/BS:** (BS) 33 hrs anth, 10 hrs chem, 9 hrs mathematics, 18-21 hrs geog and geol or bio sci, (BA) 33 hrs anth  

**Area(s) of Specialization/Concentration for MA/MS:** Archaeology, biological anthropology, and cultural anthropology  

**Requirements for MA/MS:** (MA) 36 hours anth, including 9 hrs required core, 6 hrs thesis  

**Area(s) of Specialization/Concentration for PhD:** Comparative brain anatomy, histology, and evolution, paleoanthropology, human and primate developmental biology and genetics, skeletal biology and demography, primate ecology and evolution  

**Requirements for PhD:** (Bio anth only) 30 hrs coursework, 30 hrs dissertation  

**Additional Information:** For UG information write to dept. For MA information write to Graduate Coordinator, Dept Anth, Kent State U, Kent OH 44242-0001; (330)672-4363. For further information about PhD program in bio anth (for those who have earned an MA) write to Richard Meindl, Dept Anth, Kent State U, Kent OH 44242-0001; (330) 672-4363; mmeindl@kent.edu. Also, see web site http://dept.kent.edu/anthropology/faculty_staff.html  

**Contact Address:** 750 Hilltop Drive Room 226 Lowry Hall Kent OH 44242-0001 Phone (330) 672-4363 Fax (330) 672-2999 Email ctannert@kent.edu URL www2.kent.edu/CAS/anthropology/
