

2011 CSAS STUDENT PAPER COMPETITION

Undergraduate and Graduate Divisions

The Central States Anthropological Society (CSAS) awards prizes each year for best undergraduate and best graduate student papers given at its annual meeting. Prize submissions must be research papers based on presentations given at the 2011 Annual Meeting held in Iowa City, Iowa. The prize in each category is \$300, and papers in any area of anthropology are eligible.

Papers should have anthropological substance and not be in some other field of social science or humanities. Research and conclusions should be framed by general anthropological issues. Goals, data, methodology, and conclusions should be presented clearly. Use of original literature is preferred rather than secondary sources. All references should be cited properly. Entries should aim for the style, format, and quality of anthropological journal articles. Papers should be potentially publishable but papers that require some editing or rewriting may still be chosen for the prize. This year's deadline for submission is Monday, May 2, 2011 – three weeks after the meetings, giving entrants time to make revisions based on feedback received at their presentation. Reviewers' comments are returned to entrants, providing each author with feedback on their work.:-

Application instructions: FOUR copies of the paper (not the presentation) must be submitted. Papers should be no longer than TWENTY-FIVE pages in length (double spaced, 12-point type, with standard one-inch margins), plus bibliography. A submission cover page should be attached to each copy, which will indicate the student status of the author (undergraduate or graduate) but not give any identifying information of the author. Within the paper, no headers or footers with author identification information should appear on pages. Include one copy of the applicant submission form. This form will include the author's name, university, title of the paper, student status of graduate or undergraduate, mailing address, email and phone number where they can be reached through August 15, 2011. Incomplete applications will not be considered. Prizes will be announced during the summer.
